

PLUMPTON COLLEGE

## **Fishery Courses Taster Day information**

### **For school year 10/11**

Do you enjoy fishing? If so why not turn your hobby into a career. Come and try the fishery course taster day and see the sorts of jobs that are available in fishing and fishery management. You will get an introduction into fly fishing and coarse fishing which may involve learning how to tie a fly and have a go at fly casting. Learn about habitat creation and see the brown trout streams on the college estate. Depending on the time of year you may get an opportunity to go fishing at one of the college lakes.

To find out more information and book a place, call Karen Hayes at Plumpton College on 01273 890454 ext 306
