

Plan and Plant an Orchard

A one day course for anyone interested in planting a new orchard.

12th December 2008, 09.30-16.30

The course will introduce participants to the main issues and practices that need to be considered when planning and planting a traditional orchard. The course is suitable for farm and horticultural businesses, community organizations, and individuals interested in creating a small orchard.

Venue: Green Oak Farm, Robertsbridge
Tutor: Peter May
Cost: £60
