

PLUMPTON COLLEGE at Flimwell

Introduction to Green Woodworking

12 April 2012

Plumpton College

Introduction to Green Woodworking

Learn the traditional skills of working with green (freshly felled) wood to make a range of small items on a one day course organised by Woodnet and Plumpton College at Flimwell.

John Waller, your tutor for the day, will demonstrate the techniques, tools and materials to convert green wood into many and varied products such as candlesticks, spoons and dibbers. John will also show you what you can aspire to including chairs, stools and benches. This is a practical hands on day with plenty of time to practice your new skills in cleaving, shaving and pole lathe turning while you make a small item of your own.

The next course is on

Thursday 12 April 2012

10.00 – 4.30 at the Woodland Enterprise
Centre, Flimwell, East Sussex, TN5 7PR.

Course fee £90

If you work in farming, forestry or production horticulture in the South East, you may be eligible for a subsidised fee of £27 – please enquire when booking.
